MEMORANDUM FOR: Assistant Director (Personnel)
Chief, Procurement and Supply Office

SUBJECT : Points of Contact with Chief, Joint Subsidiary Plans
Division, Joint Chiefs of Staff

1. Attached is a copy of a memorandum originally prepared for the Chief, Joint Subsidiary Plans Division, Joint Chiefs of Staff. At the request of the Chief of Administration, Deputy Director (Plans), it was not forwarded. The memorandum was addressed to the problem of widespread and uncontrolled contacts with the Joint Subsidiary Plans Division on matters of personnel and material support. However, [REDACTED] desired an opportunity to establish better controls over these matters within the organizational structure he is now establishing.

2. You are requested to give close attention to these problems, and advise me immediately of any instances in which the present working relationships have not provided effective control and centralization.
